This gem of a ride winds along the trails from Campbell Valley Park through forests and fields to Aldergrove Park and there are wineries to visit along the way. The ride can be done as an out and back, a 40km trail and road loop, or consider a two-car shuttle...all enjoyable!

YIELD to EQUESTRIAN RIGHT-OF-WAY

Approach horses slowly, ask rider if OK to pass, stop if necessary, give a wide berth. Respect Right-of-Way so we can continue to use trails.
