

84 WHISTLER VALLEY TRAIL

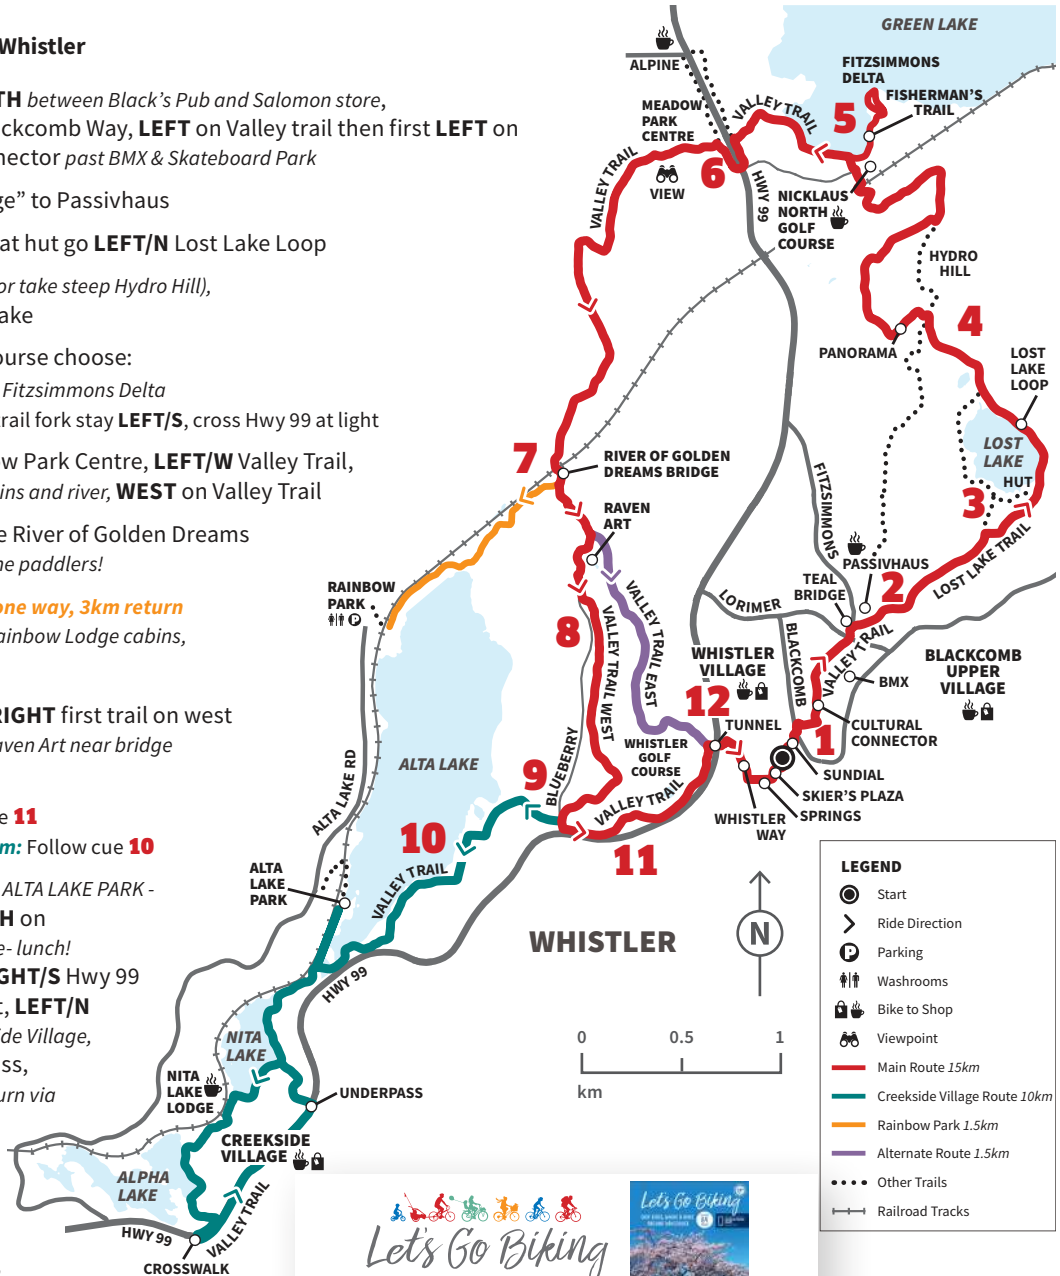

WHISTLER Paved separated greenway, hardpacked trails **15km - 26km**

There's over 40km of Valley Trail to explore in Whistler. My favourite route visits Lost Lake, Green Lake, and Alta Lake. For a Five-Lake tour, add on Nita and Alpha Lakes! The route is great for cyclists, walkers, and runners. There's art to find along the way - look for giant ravens on the Valley Trail, an old car, and giant chairs in Alta Lake Park.
