

2 SEASIDE GREENWAY

VANCOUVER Paved separated greenway 24km loop

• Enjoyed this map? Explore more in the new guidebook!

Seaside Greenway is the most popular bike route in Vancouver. On a dedicated bike path separated from cars, it is safe for riders of all ages and abilities, and fun for pedestrians and joggers, too. The route follows The Great Trail from the Vancouver Convention Centre, along Coal Harbour, around Stanley Park Seawall and False Creek, to Granville Island. Take a ferry on False Creek and return on Hornby Bikeway, or continue west on Seaside Greenway to Jericho.

📍 **START at Vancouver Convention Center**
Canada Place Way & Burrard - Vancouver
